In singles play the Eagles took on the Mercer Bears, winning three of the seven matches. [Pascal Wagemaker](#) won in three sets, after dropping the first set of his match, while [Carlos Garcia](#) did the same. [Carter French](#) won in straight sets over Mercer to round out the first tournament of the year.

QUOTING COACH KONING

le to compete this weekend. It's been a strange fall and for us to have the opportunity to compete is great. We started off kind of rusty, but fought hard all three days. Carter had a good weekend results wise with winning all of his singles and 4 out of 5 doubles with Pascal. Carter has been good in practice the last couple of weeks and very coachable. He stayed aggressive and played the way we think he should play. It was good to see him backing it up this weekend. Pascal and Valentin played hard, but didn't always get the result they wanted. I believe they are on the right track and doing the right things. Overall it's good to see where we are with other conference teams being at the tournament. Now we will get back to practice and work on some things we need to get better at before the spring season starts."
